# BENEFICS ENROLLEN

Annual Enrollment Section 125 Cafeteria Plan How to Enroll

# **Your Annual Enrollment**

#### **Important Dates to Remember**

Your Open Enrollment Dates are: November 13th - 17th, 2018

Your Plan Year is: January 1, 2019 - December 31, 2019

Note: Changes to insurance plans will go into effect January 1st.

#### **Annual Open Enrollment**

Each year Open Enrollment provides you an opportunity to change plans and modify dependent coverage. Your election deductions begin in December and will remain in effect through the plan year (January 1, 2019 - December 31, 2019) for your Voluntary benefits.

NOTE: If eligibility changes during the year you must notify Human Resources within 31 days of the qualifying event.

### **Your Section 125 Plan**

#### **Save Money With Section 125**

If there was a program available that could dramatically save money on your taxes, would you take advantage of it? That's exactly what the Section 125 Plan does—reduces your taxes and increases your spendable income! Plus, the Plan is available to you at no cost\* and you're already eligible, all you have to do is enroll.

The Plan works like this: You are allowed to deduct needed benefits from gross earnings before taxes are computed. This means that current aftertax expenses, such as insurance products and benefits, can be paid for with pre-tax dollars.

The advantage of this Plan is simple: The eligible premiums you pay under the Plan are paid on a pre-tax basis. You could be on your way to increased savings, just by signing up and taking advantage of this Plan!

#### Benefits Eligible For The Section 125 Cafeteria Plan

- Group Medical, Dental and Vision Insurance
- Accident Insurance
- Cancer Insurance
- Flexible Spending Accounts

Before you meet with your American Fidelity Representative, take time to evaluate your current coverage and decide how well it serves the needs of you and your family.

#### **Important Points To Consider**

- Figure an estimate of out-of-pocket medical expenses. Remember that over-the-counter drugs and medicines now require a prescription to be reimbursed.
- Figure an estimate of child care expenses.
- Review your beneficiaries.
- Review American Fidelity's options of portable insurance plans that you can keep if your employment changes.
- Evaluate your need for life insurance.
- Consider increasing your Disability Income Insurance policy amount to match your current salary.

# FLEXIBLE SPENDING ACCOUNTS

Health Flexible Spending Account (Healthcare FSA) Benefits Debit Card Dependent Care FSA Managing Your Account Retirement

#### American Fidelity Assurance Company

Flexible Spending Accounts are great cost savings tools to help with common medical expenses not covered by your major medical insurance and/or dependent care expenses. You can elect a portion of your pay to be deducted, on a pre-tax basis, from each paycheck to use for reimbursement of qualified out-of-pocket expenses throughout the plan year.

#### Flexible Spending Account Savings Example

| With FSA   |                                 | Without FSA |  |  |
|--|---------------------------------|-------------|--|--|
| \$30,000   | Annual Gross Income             | \$30,000    |  |  |
| - \$2,400  | Healthcare FSA Election         | \$0         |  |  |
| - \$2,500  | Dependent Care Account Election | \$0         |  |  |
| \$25,100   | Taxable Gross Income            | \$30,000    |  |  |
| - \$5,020  | Estimated Federal Tax (20%)     | - 6,000     |  |  |
| - \$1,920.15   | Estimated FICA (7.65%)          | - 2,295     |  |  |
| \$18,159.85  | Annual Net Income               | \$21,705    |  |  |
| \$0  | Cost of Medical Expenses        | - \$2,400   |  |  |
| \$0  | Cost of Dependent Care Expenses | - \$2,500   |  |  |
| \$18,159.85  | Spendable Income                | \$16,805    |  |  |
| With an FSA, potential annual savings in this example is: \$1,354.85 |                                 |             |  |  |
|  |                                 |             |  |  |

By using an FSA to pay for eligible expenses, you can reduce your taxable income which will result in additional spendable income.

#### **Benefits Debit Card**

#### **Benefits Debit Card**

American Fidelity will provide a Benefits Debit Card to all employees who elect to participate in a Healthcare FSA (where offered by your employer.) The debit card gives immediate, convenient access to Healthcare FSA funds at the point of sale for prescriptions, copays, and other common qualified medical expenses. The card can only be used for the Healthcare FSA and is not available for the DCA.

#### **Using Your Benefits Debit Card**

Simply swipe your card like you would with any other credit card. Whether at the doctor's office or the dentist, the amount of your eligible expenses will be automatically deducted from your Healthcare FSA. Save ALL receipts!

Cards for Healthcare FSAs can be used at:

- Health care related facilities which include: hospitals, physician offices, dental offices, vision offices; and,
- Merchants participating in the Inventory Information Approval System (IIAS).
- The card is for medical expenses only; dependent day care expenses are not eligible.
- The card cannot be used for over-the-counter drugs filled with a prescription. You will need to file a manual claim for these types of expenses.

#### Snap. Submit. And Go!

When using your Benefits Debit Card to pay for an eligible expense, you may need to retain documentation to verify the expense. The AFmobile<sup>®</sup> app makes this easy.

- **Snap** a photo of the itemized receipt\* with your phone.
- **Submit** the photo of the itemized receipts within the app when you receive notification that a receipt is needed to verify your expense.
- **Go**! After submitting your verification and its review, you will be able to view the status of your reimbursement within the app.

\*The Internal Revenue Code (IRC) requires proof of the eligible expenses using itemized receipts or other documentation showing the date of service, person for whom service was provided and description of the expense. Depending on the type of expense, documentation may come in the form of third party itemized statements or Explanation of Benefits.

#### **Activating Your Card**

You will receive your card at your home address and may begin using your card on the first day of your plan year. Your card will be automatically activated when you use it for the first time for an eligible expense.

#### **Dependent Care Account (DCA)**

A Dependent Care Account allows you to allocate money on a pre-tax basis to reimburse yourself for dependent care expenses that allow you (and your spouse) to work. Reimbursement is permitted only after the services have been provided and the expense has been paid. As dependent care contributions are withheld from your paycheck and placed into the account, these funds become available for reimbursement requests. Submit the entire amount of your dependent care expense after the care is provided, even if it exceeds your monthly contribution amount, to maximize reimbursement opportunities. This allows you to build up a "pool" of submitted expenses, with pending amounts ready for reimbursement as soon as your next contribution is received and deposited into your account.

Minimum Annual Election: Determined by your employer.

Maximum Annual Election: While the IRC allows a maximum of \$5,000 per year, the employer may set the maximum equal to or lower than this amount.

#### Examples of Eligible Dependent Care Expenses

After-school care or extended day programs

Nanny expenses

Baby-sitter inside or outside participant's household

\*A Dependent Care Center is a place that provides care for more than six persons (other than persons who live there) and receives a fee, payment or grant for providing services for any of those persons, regardless of whether the center is run for profit.

Regardless of whether you participate in the Dependent Care Account under the Section 125 Plan or claim the Dependent Care credit on your income tax return, you must provide the Internal Revenue Service with the name, address and taxpayer identification number (TIN) or Social Security number of your dependent care provider(s) by completing either Schedule 2 of Form 1040A or Form 2441 and attaching it to your annual income tax return. Be sure that you follow the current instructions given by the IRS for preparing your annual income tax return. Failure to provide this information to the IRS could result in loss of the pre-tax treatment of your Dependent Day Care FSA contributions or loss of the Dependent Care Tax Credit.

#### **FSA Fund Availability**

#### Healthcare FSA

Your full annual election is available to you on the first day of the plan year.

#### **Dependent Care Account**

Unlike the Healthcare FSA, the entire elected amount is not available on the first day of the plan year, but rather as contributions are received.

#### **Important FSA Notes:**

- Participants are generally allowed a 90-day run-off period after the plan year ends to submit claims for expenses that occurred during the plan year but were not yet submitted.
- If you are a new employee entering the FSA during a plan year, reimbursement is only available for expenses and services provided after you begin your participation in the FSA.
- If you are enrolled in the Healthcare FSA and take a leave of absence during the plan year, you may (subject to your employer's plan):
  - 1. Prepay the contributions on a pre-tax basis, or
  - 2. Continue the contributions by remitting them to your employer. Pre-tax contributions may continue if you continue to receive enough pay, or
  - 3. Prorate the unpaid contributions over the remaining pay periods when you return to work.
- Failure to make all elected contributions will result in termination of your account as of the date contributions ceased.
- · Healthcare FSAs must comply with COBRA and generally must offer COBRA continuation rights to qualified beneficiaries who lose Healthcare FSA coverage due to certain gualifying events. For most Healthcare FSAs, COBRA may be offered upon a qualifying event only if you have a balance remaining in your Healthcare FSA. The balance is generally calculated by subtracting the reimbursements made prior to the qualifying event from the annual election. If eligible, you may choose to continue your contributions by either sending your contributions to your employer on an after-tax basis each pay period, or, you may choose to make a pre-tax contribution for your remaining elections for the plan year from your final pay or severance pay. Expenses incurred while contributions are being made are eligible for reimbursement. Coverage generally may not continue beyond the current plan year. If you do not elect COBRA, only expenses incurred during the period of employment are reimbursable. Coverage under the Healthcare FSA ceases when the contributions cease.
